Principal: Mr Andrew Downing

Dear Parent/Carer

Annual Careers Fair

As part of the careers programme at Outwood Academy City, we aim to ensure that all of our students are aware of the opportunities and progression routes open to them in advance of leaving at the end of Year 11.

Throughout a student's time the academy they will experience a variety of career related educational activities, one of which is our annual Careers Fair. We invite representatives from local colleges, training providers, sixth forms, universities, employers and partners to join us and speak to students and parents about what they offer and how students can apply. This year we expect between 35 and 40 different providers to host a stand here.

The event is open to all of our students and we encourage parents to come along to gain an understanding of the wealth of opportunities available to young people in the current marketplace and within the local area. It is a fantastic opportunity to speak to different organisations and gain a full understanding of the opportunities available, and to find out about specific courses, entry requirements and any other specific questions you may have. We believe it is essential all students start thinking of their futures and start to set aspirational goals within their career planning.

This year's event will take place on Wednesday, 17 October 2018. You are welcome to join us any time between 4:30pm and 6:00pm.

In addition to the exhibitors, our colleagues from Careers Inc will be at the academy to talk to you about the careers service they provide all our students and the support that your child will receive throughout their time at the academy.

To confirm your attendance, please return the reply slip below to SID by Monday, 15 October 2018.

Should you have any questions about the event or the academy's careers programme, please don't hesitate to contact me using the above details.

Yours faithfully,

Miss Rachel Sullivan
Associate Assistant Principal

Annual Careers Fair
