Dear Parent/Carer,

Our school is taking part in BRIGHT, which is a research project that aims to find out if a lesson at school about dental health and caring for teeth, and then sending young people text messages, can help them look after their teeth.

Your child, and all other students in Years 7 and 8, has been chosen to be invited to take part in BRIGHT. I encourage you to allow your child to take part if they would like to. The following documents, enclosed with this letter, will tell you more about BRIGHT to help you make up your mind:

- Parent/Carer Information Sheet
- Young Person Information Sheet (*for information only*)
- Parent/Carer Opt Out Form (two copies)
- Young Person Consent Form (*for information only*)

If you decide you are happy for your child to take part in BRIGHT, you do not need to do anything. Your child will find out more about the study at school. We will give them a copy of the Young Person Consent Form to complete at school if they want to take part.

If you DO NOT want your child to take part in BRIGHT, please complete the Parent/Carer Opt Out Form and return it to school by Monday, 7 January 2019.

If you do not return the Parent/Carer Opt Out Form by Monday 7 January 2019, we will assume that you are happy for your child to take part in BRIGHT if they would like to.

Thank you for your support.

Yours faithfully,

Mr Andrew Downing
Principal
