Dear Parent/Carer

May Half Term Revision Sessions

The summer examinations are already underway in many subjects and students' conduct so far has been impeccable. In addition to the masterclass sessions students are benefiting from in school, we will be holding a number of revision sessions during the May half term holiday. A timetable of these can be found below. We would appreciate your support in encouraging your child to attend all sessions applicable to them. Refreshments will be provided.

| Date | Timings | Subject |
|------------------------|-------------------|-----------|
| Tuesday, 28 May 2019 | 9:30am to 12:30pm | Geography |
| Wednesday, 29 May 2019 | 9:30am to 12:30pm | Science |
| Thursday, 30 May 2019 | 9:30am to 12:30pm | Maths |

Students should also continue to take advantage of the wealth of after school sessions offered daily. Further details are available from Mr Colliver or your child's teachers.

To confirm your child's attendance to the half term holiday revision sessions, please complete the slip below and return to SID by Friday, 24 May 2019.

Yours faithfully

Heads of Department
