Mr Scales has come up with some sample timetables, which we hope might help our students to organise their study time more effectively.

Please see below for KS3 and KS4 examples:

Outwood Academy City – Online Timetable

Key Stage 3				Key Stage 4				Y11
Subject	Hours	Day Work Set and Collected		Subject	Hours	Day Work Set and Collected		Our Commitment to You
English	3	Tuesday		English	3	Tuesday		You will need to continue to study because: - You might need to re-take one of your Y11 courses if you don't get the grade you want/need - You want to be confident at KS4 so you are prepared for further education - You need to develop yourself so you are more employable. To support you we will: - Provide revision work, resources, past exam papers - Provide bridging work for your further education courses - Provide feedback if you hand in work
Maths	3	Monday (1hr)	Friday (1hr)	Maths	3	Monday (1hr)	Friday (1hr)

Remember, you can comment on any of your assignments if you need help from your teacher.

If you have problems logging in, email enquiries@city.outwood.com with your name and your issue and one of our team will try and help.

Mental Wellbeing

This week has been the Sheffield Virtual School Games 2020. We can't wait to see how our competitors have done!

SHEFFIELD VIRTUAL SCHOOL GAMES 2020
22ND – 26TH JUNE
FS2 – YEAR 10

Due to the current situation around the Corona Virus, many school competitions, events and sports days have been cancelled. The Sheffield School Games Virtual Competition pack has been created by the Sheffield School Games Organisers to enable pupils across Sheffield to compete in simple generic sport skills against pupils from other schools whether they are attending school, or being home schooled.

The competition consists of 8 simple skills that can be completed at school in home:

- Speed Bounce
- Target Throw
- Keepie Uppies
- Coordination Station
- Clap Catch
- Plank For Points
- Healthy Selfie
- Creative Challenge

Teachers and Parents can also get involved and submit scores for their schools!

All you have to do is follow the activity cards, complete the challenge and submit your results. Trophies will be provided for the winning schools in each category so make sure you get involved!

Download the competition pack by using the QR Code or visit shorturl.at/chEW3

Get your parents to tweet us photos and video updates to earn bonus points for your school!
