Dear Parents/Carers

As communicated recently, all events at the academy have been postponed due to the Covid-19 pandemic and following the Department for Education's guidance.

On Thursday 19 October the Government announced a second national lockdown. Therefore, it is with regret that we are unable to hold our usual Parent's Evenings at the moment, we will of course update you as soon as this situation changes. In the meantime, if you have any concerns you would like to discuss you can of course contact the academy to speak to your child's Learning Manager who will be more than happy to assist you.

I would like to take this opportunity to thank you for your patience and understanding during these unprecedented times.

Yours Sincerely

J. Pinder
Vice Principal
