THIS WEEK'S
LEARNING
WALK
FOCUS:
*Collaborative
Structures*

"I found the structure very easy to explain but I did need a lot of time to do so with the Year 7s. I found it useful to explain each task on the structure in turn rather than explaining it all at once".

Some students still put simple suggestions like "write more paragraphs" so it is a good idea to have suggestions for improvements on the board for them to use, at least at first"
